

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
1	409 East 6th Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	10.5" DBH	A mid-sized Yoshino Cherry	This Yoshino Cherry's health should be monitored throughout the upcoming year.
2	140 East 6th Street	Pin Oak	<i>Quercus palustris</i>	32.0" DBH	A large and mature Pin Oak.	This is a very large and mature Pin Oak. Overall healthy for its age. The base of this Pin Oak has grown into the curb.
3	126 East 6th Street	Pin Oak	<i>Quercus palustris</i>	30.5" DBH	A large and mature Pin Oak.	Corrective pruning
4	128 East 6th Street	Pin Oak	<i>Quercus palustris</i>	33.5" DBH	A large and mature Pin Oak.	This is one of the larger Pin Oaks within the Borough of Media. The base of the trunk has overgrown the sidewalk.
5	The actual address of the residence nearest this Pin Oak is 525 North Monroe. The Pin Oak is growing approximately 100' from the corner of East 6th Street.	Pin Oak	<i>Quercus palustris</i>	22.0" DBH	A mid to large-sized Pin Oak.	Overall, this Pin Oak exhibits a good volume of leaves which are in reasonably good health. The leaves are not chlorotic.
6	The actual address of the residence nearest this Kwanzan Cherry is 525 North Monroe. The Kwanzan Cherry is growing approximately 30' from the corner on East 6th Street.	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	11.5" Caliper	A mid-sized Kwanzan Cherry.	This Kwanzan Cherry should be monitored throughout the upcoming year.
7	24 East 6th Street	Silver Maple	<i>Acer saccharinum</i>	23.5" DBH		Two trees have recently been removed from both 16 East 6th Street---and 18 East 6th Street.
8	The actual address of the nearby apartment building is 525 Jackson Street. The Red Maple in question is located on East 6th Street---approximately 75' from the corner of Jackson & East 6th Street.	Red Maple	<i>Acer rubrum</i>	7.5" Caliper	A relatively small-sized Red Maple.	Overall, the leaves appear in reasonably good health---and are not chlorotic, etc.
9	15 East 6th Street	Silver Maple	<i>Acer saccharinum</i>	8.0" Caliper	A relatively small-sized Silver Maple	Overall, this Silver Maple appears healthy for its age. The base of this Silver Maple has grown into the curb.
10	216 East 5th Street	Red Oak	<i>Quercus rubra</i>	34.5" DBH	A large and mature Red Oak	This tree leans towards Providence Road. This Red Oak should be further evaluated to include periodic health monitoring.
11	216 East 5th Street	London Plane	<i>Platanus x acerifolia</i>	52.5" DBH	An extremely large and mature London Plane.	This London Plane has been recently pruned to "thin" its existing canopy. Overall, the tree appears healthy.
12	212 East 5th Street	Pin Oak	<i>Quercus palustris</i>	15.5" DBH	A small to mid-sized Pin Oak.	This Pin Oak appears to be in very good health. No obvious issue(s) need to be addressed.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
13	208 East 5th Street	London Plane	<i>Platanus x acerifolia</i>	11.0" DBH	A small to mid-sized London Plane.	This London Plane has no significant health issues.
14	208 East 5th Street	Red Oak	<i>Quercus rubra</i>	24.0" DBH	A mid-sized Red Oak.	Overall, this Red Oak is in good health.
15	200 East 5th Street	Red Oak	<i>Quercus rubra</i>	17.5" DBH	A small to mid-sized Red Oak.	Overall, this Red Oak appears to be in good health.
16	Corner of North Edgemont and East 5th Street	Pin Oak	<i>Quercus palustris</i>	31.0" DBH	A large and mature Pin Oak.	The removal of this Pin Oak may be necessary in the future---if its health continues to decline in health. Corrective pruning is required---ASAP.
17	140 East 5th Street	Green Ash	<i>Fraxinus pennsylvanica</i>	9.0" Caliper	A reasonably small to mid-sized Green Ash.	Very minor corrective pruning will assist the branching structure of this tree in future years.
18	136 East 5th Street	Red Maple	<i>Acer rubrum</i>	3.0" Caliper	A small-sized Red Maple.	This Red Maple has no significant health issues.
19	130 East 5th Street	London Plane	<i>Platanus x acerifolia</i>	40.5" DBH	A very large and mature London Plane.	No significant health issues---especially for a London Plane of this age.
20	128 East 5th Street	London Plane	<i>Platanus x acerifolia</i>	39.5" DBH	A very large and mature London Plane.	This London Plane's health should be monitored in the near future.
21	122 East 5th Street	Red Oak	<i>Quercus rubra</i>	32.0" DBH	A large-sized Red Oak.	Overall, this tree is in good health. Portions of the lower trunk have grown over the curb. The upper crown of this tree should be lightly pruned.
22	Located between 122 East 5th Street and Brown Street.	Red Oak	<i>Quercus rubra</i>	30.5" DBH	A large-sized Red Oak.	
23	East 5th Street closest to the corner of North Monroe Street	Ornamental pear---probably the cultivar Bradford	<i>Pyrus calleryana 'Bradford'</i>	17.5" DBH	A reasonably large-sized Ornamental Pear.	Minor pruning should be considered to correct some current health issues.
24	East 5th Street---closest to the corner of North Monroe Street	Pin Oak	<i>Quercus palustris</i>	28.0" DBH	A relatively large-sized Pin Oak.	
25	East 5th Street---closest to the corner of North Monroe Street	Ornamental Pear---probably cultivar Bradford	<i>Pyrus calleryana 'Bradford'</i>	5.0" Caliper	A relatively small-sized Ornamental Pear.	This Ornamental Pear should be monitored due to the potential influence of Fireblight (disease).
26	36 East 5th Street	Red Maple	<i>Acer rubrum</i>	9.5" Caliper	A relatively small-sized Red Maple.	This Red Maple should be monitored throughout the upcoming year.
27	30 East 5th Street	Burr Oak	<i>Quercus macrocarpa</i>	8.5" Caliper	A relatively small-sized Burr Oak.	No immediate action is required.
28	20 East 5th Street	Pin Oak	<i>Quercus palustris</i>	42.5" x 36.0" DBH	A very large and mature Pin Oak.	
29	10 East 5th Street	Shadbush or Amelanchier	<i>Amelanchier arborea</i>	8.0" Caliper	A mid-sized Amelanchier.	No significant issues or problems.
30	4 East 5th Street---closest to the corner of East 5th Street and North Jackson Street.	Pin Oak	<i>Quercus palustris</i>	12.0" Caliper	A small to mid-sized Pin Oak.	This Pin Oak has no apparent health issues. However, communication wires are present throughout the canopy of this tree.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
31	25 East 5th Street	Redbud	<i>Cercis canadensis</i>	6.5" Caliper	A relatively small-sized Redbud.	This is probably not a long-lived Redbud---in its present physical condition.
32	27 East 5th Street	Red Oak	<i>Quercus rubra</i>	9.0" Caliper	A relatively small-sized Red Oak.	See adjoining comments. Communication wires may be a potential problem in the future.
33	27 East 5th Street	Redbud	<i>Cercis canadensis</i>	7.0" Caliper	A mid-sized Redbud.	No immediate action is required.
34	31 East 5th Street	Pin Oak	<i>Quercus palustris</i>	26.0" DBH	A large-sized Pin Oak.	This Pin Oak's need for corrective pruning is not serious.
35	31 East 5th Street	Silver Maple	<i>Acer saccharinum</i>	7.5" Caliper	A small to mid-sized Silver Maple.	Overall, the health of this Silver Maple should be monitored. It is not a safety concern.
36	Corner of Monroe & East 5th Street	Red Maple	<i>Acer rubrum</i>	2.5" Caliper	A small-sized Red Maple.	This Red Maple will most likely have a short lifespan
37	Corner of Monroe & East 5th Street	Red Maple	<i>Acer rubrum</i>	4.0" Caliper	A small-sized Red Maple.	The overall health of this tree needs to be monitored into the future.
38	230 East 4th Street	London Plane	<i>Platanus x acerifolia</i>	10.5" DBH	A small to mid-sized London Plane.	The existing overhead wires are not a current liability for this London Plane.
39	226 East 4th Street	N/A	N/A	N/A	N/A	
40	222 East 4th Street	N/A	N/A	N/A	N/A	
41	218 East 4th Street	Pin Oak	<i>Quercus palustris</i>	32.0" DBH	A large and mature Pin Oak.	
42	216 East 4th Street	Pin Oak	<i>Quercus palustris</i>	32.5" DBH	A large and mature Pin Oak. This Pin Oak has an especially broad crown.	
43	This Pin Oak is not located at an address specifically associated with East 4th Street. It is located across from 211 East 4th Street.	Pin Oak	<i>Quercus palustris</i>	41.5" DBH	A very large and mature Pin Oak.	No immediate action is required.
44	This Pin Oak is not located at an address specifically associated with East 4th Street. It is located across from 209 East 4th Street.	Pin Oak	<i>Quercus palustris</i>	32.5" DBH	A large and mature Pin Oak.	No immediate action is required. However, the health of this Pin Oak should be monitored throughout the upcoming year.
45	This Red Maple is located at the intersection of East 4th Street and North Edgemont Avenue.	Red Maple	<i>Acer rubrum</i>	7.5" DBH	A small to mid-sized Red Maple.	This Red Maple is a good candidate for municipal pruning.
46	140 East 4th Street	Hawthorn	<i>Crataegus</i> sp.	5.0" DBH	A small to mid-sized Hawthorn.	

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
47	140 East 4th Street	Hawthorn	<i>Crataegus</i> sp.	3.5" DBH	A relatively small-sized Hawthorn.	This Hawthorn has a significant "lean" towards the street.
48	112 East 4th Street	Red Maple	<i>Acer rubrum</i>	8.0" DBH	A mid-sized Red Maple.	No immediate action is required.
49	110 East 4th Street	Sugar Maple	<i>Acer saccharum</i>	3.0" DBH	A small-sized Sugar Maple.	No immediate action is required.
50	This Purple-Leaf Myrobalan Plum is located between 110 East 4th Street and North Monroe Ave.	Purple-Leaf Myrobalan Plum---Probably the cultivar 'Newport'	<i>Prunus cerasifera</i> 'Newport'	1.5" DBH	A small-sized Purple-Leaf Myrobalan Plum.	This Purple-Leaf Myrobalan Plum was planted in 2018.
51	This Kwanzan Cherry is located between 110 East 4th Street and North Monroe Avenue.	Kwanzan Cherry	<i>Prunus serrulata</i> 'Kwanzan'	2.0" DBH	A small-sized Kwanzan Cherry.	This Kwanzan Cherry was planted in 2018.
52	This Kwanzan Cherry is located between 110 East 4th Street and North Monroe Avenue.	Kwanzan Cherry	<i>Prunus serrulata</i> 'Kwanzan'	2.0" DBH	A small-sized Kwanzan Cherry.	This Kwanzan Cherry was planted in 2018.
53	Corner of East 4th Street and North Monroe Avenue.	Pin Oak	<i>Quercus palustris</i>	22.5" DBH	This is a mid to large-sized Pin Oak.	No immediate action is required.
54	Corner of East 4th Street and North Monroe Street---on Borough Hall property.	Red Oak	<i>Quercus rubra</i>	20.5" DBH	This is a mid to large-sized Red Oak.	Please see adjoining notations---regarding the pruning requirements of this Red Oak.
55	Near the corner of East 4th Street and North Monroe Street---on Borough Hall property.	Red Oak	<i>Quercus rubra</i>	24.0" DBH	This is a mid to large-sized Red Oak.	
56	26 East 4th Street. Borough Hall property---prior to North Jackson Street.	Littleleaf Linden	<i>Tilia cordata</i>	13.5" DBH	This is a mid to large-sized Littleleaf Linden.	The health of this Littleleaf Linden needs to be monitored throughout the upcoming year.
57	26 East 4th Street. Borough Hall property---prior to North Jackson Street.	Swamp White Oak	<i>Quercus bicolor</i>	8.0" DBH	This is a relatively small-sized Swamp White Oak.	No immediate action is required.
58	26 East 4th Street. Borough Hall property---prior to North Jackson Street.	Swamp White Oak	<i>Quercus bicolor</i>	9.5" DBH	This is a relatively small-sized Swamp White Oak.	No immediate action is required.
59	26 East 4th Street Borough Hall property---prior to North Jackson Street.	European Hornbeam	<i>Carpinus betulus</i>	7.5" DBH	This is a mid-sized European Hornbeam.	No immediate action is required.
60	5 East 4th Street	Kwanzan Cherry	<i>Prunus serrulata</i> 'Kwanzan'	7.5" DBH	This is a mid-sized Kwanzan Cherry.	No immediate action is required.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
61	25 East 4th Street	Sweetgum	<i>Liquidambar styraciflua</i>	24.0" DBH	This is a very large and mature Sweetgum.	No tree health-related action is required at this time. The asphalt adjacent to the trunk of this tree (curb) is additionally raised.
62	33 East 4th Street	Littleleaf Linden	<i>Tilia cordata</i>	17.5" DBH	This is a large-sized Littleleaf Linden.	Littleleaf Linden has a significant number of surface roots.
63	Corner of East 4th Street and North Monroe Street---across East 4th Street from Borough Hall.	Higan Weeping Cherry	<i>Prunus subhirtella 'Higan'</i>	17.0" DBH	This is a large and mature Higan Weeping Cherry.	Limited corrective pruning should be scheduled.
64	Located at the opposing corner of East 4th Street---between North Monroe Street and Brown Street.	Red Oak	<i>Quercus rubra</i>	32.5" DBH	This is a large and mature Red Oak.	
65	Located at the opposing corner of East 4th Street---between North Monroe Street and Brown Street.	Yoshino Cherry	<i>Prunus x yedoensis</i>	8.5"	This is a mid-sized Yoshino Cherry.	No immediate action is required.
66	101 East 4th Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	8.0" DBH	This is a mid-sized Yoshino Cherry.	No immediate action is required.
67	109 East 4th Street	London Plane	<i>Platanus x acerifolia</i>	42.5" DBH	This is a very large and mature London Plane.	No immediate action is required.
68	123 East 4th Street	Silver Linden	<i>Tilia tomentosa</i>	8.5" DBH	This is a mid-sized Silver Linden.	No immediate action is required.
69	234 East 3rd Street	Goldenrain Tree	<i>Koelrueteria paniculata</i>	15.0"DBH	A mid-sized Goldenrain Tree.	Remove this Koelrueteria as scheduling permits.
70	234 East 3rd Street	Goldenrain Tree	<i>Koelrueteria paniculata</i>	11.0" DBH	A small-sized Goldenrain Tree.	Relatively minor pruning is requested.
71	222 East 3rd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	18.5" DBH	A large-sized Kwanzan Cherry.	This Kwanzan Cherry needs to be monitored.
72	220 East 3rd Street	Crabapple (unknown cultivar)	<i>Malus</i> sp.	5.5" Caliper	A mid-sized Crabapple.	Communication wires traverse directly through the center of this tree. This is not an immediate concern. Light corrective pruning is requested.
73	216 East 3rd Street	Ornamental Pear	Probably the cultivar---'Bradford'	17.0" DBH	A mid-sized Ornamental Pear.	Communication wireMany surface roots exist---with some being reasonably large in size.
74	This Red Oak is located on East 3rd Street---closest to corner of North Edgemont. No East 3rd Street address exists for this tree.	Red Oak	<i>Quercus rubra</i>	18.5" DBH	A mid-sized Red Oak.	No need for corrective pruning.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
75	140 East 3rd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	18.0" DBH	A mid-sized Kwanzan Cherry.	No need for immediate action.
76	134 East 3rd Street	Redbud	<i>Cercis canadensis</i>	7.0" Caliper	A mid-sized Redbud.	No immediate corrective pruning is required.
77	130 East 3rd Street	Black Maple	<i>Acer saccharum subsp. nigrum</i>	12.5" DBH	A mid-sized Black Maple.	No immediate action is required. Tree is in compromised health.
78	130 East 3rd Street	Crabapple sp.	<i>Malus</i> sp.	11.5" DBH	A mid-sized Crabapple.	No immediate action is required.
79	This Green Ash is located close to the corner of East 3rd Street & Jackson Street	Green Ash	<i>Fraxinus pennsylvanica</i>	9.0" DBH	A small to mid-sized Green Ash.	No immediate action is required.
80	Borough Hall property on East 3rd Street	Black Gum	<i>Nyssa sylvatica</i>	8.5" DBH	A mid-sized Black Gum	No immediate action is required.
81	Borough Hall property on East 3rd Street	Black Gum	<i>Nyssa sylvatica</i>	7.5" DBH	A small to mid-sized Black Gum.	No immediate action is required.
82	East 3rd Street closest to North Monroe Ave.	Pin Oak	<i>Quercus palustris</i>	28.5" DBH	A large-sized Pin Oak.	Additional corrective pruning is required.
83	This Red Maple is located on East 3rd Street---approximately 70' from North Monroe Avenue	Red Maple	<i>Acer rubrum</i>	11.5" DBH	A mid-sized Red Maple.	No immediate action is required.
84	This Sugar Hackberry is located on East 3rd Street---closest to #113	Sugar Hackberry	<i>Celtis laevigata</i>	5.0" DBH	A mid-sized Sugar Hackberry.	
85	113 East 3rd Street	Pin Oak	<i>Quercus palustris</i>	33.5" DBH	A large-sized Pin Oak.	
86	115 East 3rd Street	Redbud	<i>Cercis canadensis</i>	11.5" Caliper	A mid to large-sized Redbud.	No immediate action is required.
87	123 East 3rd Street	Sugar Maple	<i>Acer saccharum</i>	24.0" DBH	Large-sized Sugar Maple.	No immediate action is required.
88	123 East 3rd Street	Ornamental Pear---most likely the cultivar 'Bradford'	<i>Pyrus calleryana 'Bradford'</i>	10.5" DBH	A relatively large-sized Ornamental Pear.	
89	133 East 3rd Street	Red Maple	<i>Acer rubrum</i>	5.5" DBH	A small to mid-sized Red Maple.	No immediate attention is required.
90	133 East 3rd Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	12.0" DBH	A reasonably large-sized Yoshino Cherry.	
91	141 East 3rd Street	Green Ash	<i>Fraxinus pennsylvanica</i>	6.5" DBH	A small to mid-sized Green Ash.	No immediate action is required.
92	141 East 3rd Street	Norway Maple	<i>Acer platinoides</i>	8.5" DBH	A mid-sized Norway Maple.	
93	141 East 3rd Street	Littleleaf Linden	<i>Tilia cordata</i>	19.5" DBH	A large-sized Littleleaf Linden.	No immediate issues need to be addressed.
94	203 East 3rd Street	Elm sp.	The exact parentage of this Elm is unknown. It is most probably <i>Ulmus americana 'Princeton'</i>	24.0" DBH	A reasonably large-sized Elm.	Overall, the health of this tree is reasonable at the present time. Currently, removal is not necessary.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
95	203 East 3rd Street	Ginkgo	<i>Ginkgo biloba</i>	17.0" DBH	A mid to large-sized Ginkgo.	Overall, this Ginkgo is in good health. The bark should be monitored over the upcoming year.
96	211 East 3rd Street	Pin Oak	<i>Quercus palustris</i>	28.0" DBH	A large-sized Pin Oak.	This Pin Oak requires further evaluation.
97	223 East 3rd Street	Norway Maple	<i>Acer platanoides</i>	9.0" DBH	A mid-sized Norway Maple.	No immediate health issues exist.
98	235 East 3rd Street	Sugar Maple	<i>Acer saccharum</i>	48.5" DBH	A large-sized Sugar Maple	
99	235 East 3rd Street	Pin Oak	<i>Quercus palustris</i>	32.5" DBH	A large and very tall Pin Oak.	
100	241 East 3rd Street	Pin Oak	<i>Quercus palustris</i>	34.0" DBH	A very large and wide-spreading Pin Oak.	
101	Located on East 3rd Street---between 241 East 3rd Street and Providence Road	Pin Oak	<i>Quercus palustris</i>	40.5" DBH	A very large Pin Oak---both in width (crown) and height.	
102	This Sweetgum is located on East Second Street---near Haldeman Street.	Sweetgum	<i>Liquidambar styraciflua</i>	32.5" DBH	A very wide-spreading and mature Sweetgum.	Overall, this tree is in good condition. No immediate care is required.
103	This Sweetgum is located closest to the corner of East 2nd Street and Haldeman Avenue. There is no specific address along this section of East 2nd Street.	Sweetgum	<i>Liquidambar styraciflua</i>	27.5" DBH	A reasonably large and mature Sweetgum.	Corrective pruning is required---but is not of immediate concern. Overall, this tree is in good health.
104	236 East 2nd Street	Redbud	<i>Cercis canadensis</i>	7.0" DBH	A mid-sized Redbud.	Overall, this Redbud is in good health.
105	230 East 2nd Street	Purple-Leaf Myrobalan Plum---Probably the cultivar 'Newport'.	<i>Prunus cerasifera</i> 'Newport'	2.5" Caliper	A small-sized Purple-Leaf Myrobalan Plum	No immediate action is required.
106	228 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata</i> 'Kwanzan'	8.5" DBH	A mid-sized Kwanzan Cherry.	No immediate action is required.
107	228 East 2nd Street	Shadbush	<i>Amelanchier arborea</i>	8.5" DBH	A mid to large-sized Amelanchier.	No immediate action is required.
108	226 East 2nd Street	London Plane Tree	<i>Platanus x acerifolia</i>	5.0" DBH	A relatively small-sized London Plane.	No immediate action is required.
109	This Yoshino Cherry is located on East 2nd Street---close to corner of East 2nd Street and North Edgemont Avenue.	Yoshino Cherry	<i>Prunus x yedoensis</i>	19.0" DBH	A reasonably large-sized Yoshino Cherry.	The condition of this tree is not a safety concern and needs to be monitored throughout the upcoming year.
110	This Yoshino Cherry is located on East 2nd Street---close to the corner of East 2nd Street and North Edgemont Avenue.	Yoshino Cherry	<i>Prunus x yedoensis</i>	This Yoshino Cherry is multi-stemmed with a number of large branches arising from the trunk---approximately 4' above ground level.	A large-sized Yoshino Cherry.	No immediate action is required.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
111	This Shingle Oak is located on East 2nd Street close to the corner of East 2nd Street and North Edgemont Street.	Shingle Oak	<i>Quercus imbricaria</i>	20.5" DBH	A mid-sized Shingle Oak.	No immediate action is required.
112	This European Hornbeam is located on East 2nd Street and is near the corner of East 2nd Street and North Edgemont Avenue.	European Hornbeam	<i>Carpinus betulus</i>	5.5" DBH	A small to mid-sized European Hornbeam.	No immediate action is required.
113	132 East 2nd Street	Hedge Maple	<i>Acer campestre</i>	7.5" DBH	A small-sized Hedge Maple.	Tree needs to be monitored throughout the upcoming year.
114	36 East 2nd Street	Hedge Maple	<i>Acer campestre</i>	13.0" DBH	A mid-sized Hedge Maple.	Tree needs to be monitored throughout the upcoming year.
115	36 East 2nd Street	Red Maple	<i>Acer rubrum</i>	18.0" DBH	A mid-sized Red Maple.	No immediate action is required.
116	32 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	This Cherry has 5 major branches radiating from a single location---approximately 4' above the ground.	A large and mature Kwanzan Cherry.	The health of this very mature Kwanzan Cherry should be monitored throughout the upcoming year.
117	28 East 2nd Street	Hawthorn	<i>Craetagus sp.</i>	12.5" DBH	A mid-sized Hawthorn.	
118	24 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	2.5" Caliper	A small-sized Kwanzan Cherry.	No immediate action is required.
119	18 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	3.0" Caliper	A small-sized Kwanzan Cherry.	No immediate action is required.
120	18 East 2nd Street	Red Maple	<i>Acer rubrum</i>	9.0" DBH	A relatively small-sized Red Maple.	
121	8 East 2nd Street	Silver Maple	<i>Acer saccharinum</i>	18.5" DBH	A mid-sized Silver Maple.	No action necessary at this time regarding the health of this Silver Maple.
122	This Red Maple is located on East 2nd Street---close to the intersection of East 2nd Street and North Jackson Street.	Red Maple	<i>Acer rubrum</i>	13.0" DBH	A mid-sized Red Maple.	The health of this Red Maple's should be monitored into the future---but is not a current safety concern.
123	This Red Maple is located on East 2nd Street--- at the intersection of East 2nd Street and North Jackson Street.	Red Maple	<i>Acer rubrum</i>	9.5" DBH	A small to mid-sized Red Maple.	The health of this Red Maple should be monitored throughout the upcoming year. It is not a current safety concern. No immediate action is necessary at this time.

124	This Red Maple is located at the corner of East 2nd Street and Jackson Street. Tree is located on East 2nd Street---but the address of the nearest residence is on Jackson Street.	Red Maple	<i>Acer rubrum</i>	19.5" DBH	A mid-sized Red Maple.	
125	11 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	7.5" DBH	A small to mid-sized Kwanzan Cherry.	No immediate action is required.
126	23 East 2nd Street	Red Maple	<i>Acer rubrum</i>	9.5" DBH	A small to mid-sized Red Maple.	Minor pruning is requested.
127	27 East 2nd Street	Pin Oak	<i>Quercus palustris</i>	32.5" DBH	A very large and mature Pin Oak.	
128	This Pin Oak is located nearest the corner of Jaison Alley	Pin Oak	<i>Quercus palustris</i>	34.5" DBH	A very large and mature Pin Oak.	
129	Located between 27 East 2nd Street and North Monroe Street.	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	7.5" DBH	A small to mid-sized Kwanzan Cherry.	No immediate action is required.
130	205 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	7.0" DBH	A small to mid-sized Kwanzan Cherry.	No immediate action is required.
131	Tree located at corner of East 2nd Street and North Edgemont Street.	Bradford Pear	<i>Pyrus calleryana 'Bradford'</i>	17.0" DBH	A mid-sized Bradford Pear.	No immediate action is required.
132	This Kousa Dogwood is located close to the corner of East 2nd Street and North Edgemont Street.	Kousa Dogwood	<i>Cornus kousa</i>	6.5" Caliper	A mid-sized Kousa Dogwood.	No immediate action is required.
133	217 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	9.5" Caliper	A small to mid-sized Kwanzan Cherry.	No immediate action is required.
134	219 East 2nd Street	Kousa Dogwood	<i>Cornus kousa</i>	7.0" DBH	A small to mid-sized Kousa Dogwood.	No immediate action is required.
135	221 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	10.5" DBH	A small to mid-sized Kwanzan Cherry.	No immediate action is required.
136	225 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	12.0" DBH	A mid-sized Kwanzan Cherry.	No action in association with the health of the tree.
137	227 East 2nd Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	9.5" DBH	A mid-sized Kwanzan Cherry.	No action is required at this time.
138	229 East 2nd Street	Red Maple	<i>Acer rubrum</i>	14.5" DBH	A mid to large-sized Red Maple.	No action required in association with the current health of the Red Maple.
139	422 East Front Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	24.0" DBH	A large and mature Kwanzan Cherry.	Corrective pruning will be needed within the near future.

140	This Red Oak is located on East Front Street--- approximately 35' from the intersection of East Front Street and Old Manchester Avenue.	Red Oak	<i>Quercus rubra</i>	21.5" DBH	A mid to large-sized Red Oak.	No immediate action is required.
141	326 East Front Street	Pin Oak	<i>Quercus palustris</i>	31.5" DBH	A large-sized Pin Oak.	
142	316 East Front Street	Silver Linden	<i>Tilia tomentosa</i>	7.5" DBH	A small to mid-sized Silver Linden.	No immediate action is required.
143	306 East Front Street	Pin Oak	<i>Quercus palustris</i>	33.5" DBH	A large and mature Pin Oak.	This Pin Oak needs to be monitored throughout the upcoming year.
144	30 East Front Street	Higan Weeping Cherry	<i>Prunus subhirtella 'Higan'</i>	2.0" Caliper	A small-sized Higan Weeping Cherry.	
145	24 East Front Street	N/A	N/A	N/A	N/A	Grind/remove existing stump.
146	24 East Front Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	5.0" DBH	A mid-sized Kwanzan Cherry.	No immediate action is required.
147	This Silver Maple is located on East Front Street--- approximately 75' from the intersection of East Front Street and North Jackson Street.	Silver Maple	<i>Acer saccharinum</i>	11.0" DBH	A small to mid-sized Silver Maple.	The health of this Silver Maple needs to be monitored over the upcoming year.
148	23 East Front Street	Flowering Dogwood	<i>Cornus florida</i>	5.0" DBH	A small-sized Flowering Dogwood.	
149	35 East Front Street	Red Maple	<i>Acer rubrum</i>	9.5" DBH	A small to mid-sized Red Maple.	
150	This tree is not associated directly with a street address on East Front Street. It is located on East Front Street--- closest to the corner of South Monroe and East Front Street.	Ornamental Pear---probably the cultivar 'Bradford'.	<i>Pyrus calleryana 'Bradford'</i>	7.5 DBH	A mid-sized Ornamental Pear.	This Ornamental Pear needs to be monitored throughout the upcoming year.
151	This Silver Maple is located very close to the intersection of East Front Street and South Monroe Street.	Silver Maple	<i>Acer saccharinum</i>	8.0" DBH	A relatively small-sized Silver Maple.	This Silver Maple is not in good health---especially over the long-term.
152	107 East Front Street	Green Ash	<i>Fraxinus pennsylvanica</i>	8.5" DBH	A small to mid-sized Green Ash.	
153	109 East Front Street	Willow Oak	<i>Quercus phellos</i>	5.5" DBH	A small to mid-sized Willow Oak.	No immediate health issues at the present time.
154	117 East Front Street	Silver Maple	<i>Acer saccharinum</i>	9.5" DBH	A small to mid-sized Silver Maple.	Selective pruning is needed in the near future.
155	117 East Front Street	Red Maple	<i>Acer rubrum</i>	9.0" DBH	A small to mid-sized Red Maple.	
156	This Pin Oak is located at the corner of East Front Street and Edgemont Avenue.	Pin Oak	<i>Quercus palustris</i>	42.0" DBH	A very large and mature Pin Oak.	This Pin Oak should be monitored throughout the upcoming year.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
157	This Pin Oak is located at the corner of East Front Street and Edgemont Avenue.	Pin Oak	<i>Quercus palustris</i>	34.5" DBH	A very large and mature Pin Oak.	This Pin Oak is in need of further evaluation throughout the upcoming year.
158	201 East Front Street	London Plane	<i>Platanus x acerifolia</i>	12.5" DBH	A mid-sized London Plane.	No immediate action is required. Although a some surface roots are present---they are not a significant concern.
159	205 East Front Street	Black Gum	<i>Nyssa sylvatica</i>	10.5" DBH.	A mid-sized Black Gum.	No immediate action is required.
160	207 East Front Street	Goldenrain Tree	<i>Koelrueteria paniculata</i>	8.0" DBH	A mid-sized Goldenrain Tree.	No immediate action is required.
161	209 East Front Street	Red Maple	<i>Acer rubrum</i>	2.5" Caliper	A small-sized Red Maple.	No immediate action is required.
162	209 East Front Street	Red Maple	<i>Acer rubrum</i>	2.0" Caliper	A small-sized Red Maple.	No immediate action is required.
163	219 East Front Street	Red Maple	<i>Acer rubrum</i>	2.0 " Caliper	A small-sized Red Maple.	No immediate action is required.
164	229 East Front Street	Red Maple	<i>Acer rubrum</i>	2.0 Caliper	A small-sized Red Maple.	No immediate action is required.
165	231 East Front Street	Silver Linden	<i>Tilia tomentosa</i>	10.5" DBH	A small to mid-sized Silver Linden.	No immediate action is required.
166	233 East Front Street	Silver Linden	<i>Tilia tomentosa</i>	9.5" DBH	A small to mid-sized Silver Linden.	No immediate action is required.
167	239 East Front Street	Honey Locust	<i>Gleditsia triacanthos</i> var. <i>inermis</i>	18.5" DBH	A mid to large-sized Honey Locust.	No immediate action is required.
168	307 East Front Street	Silver Maple	<i>Acer saccharinum</i>	4.0" DBH	A small-sized Silver Maple.	No immediate action is required. The health of this Silver Maple will need to be monitored over the upcoming year.
169	311 East Front Street	Silver Maple	<i>Acer saccharinum</i>	9.0" DBH	A small to mid-sized Silver Maple.	No immediate action is required.
170	315 East Front Street	Green Ash	<i>Fraxinus pennsylvanica</i>	34.5" DBH	A large and mature Green Ash.	No immediate action is required.
171	323 East Front Street	Pin Oak	<i>Quercus palustris</i>	32.5" DBH	A large and mature Pin Oak.	
172	401 East Front Street	Pin Oak	<i>Quercus palustris</i>	18.0" DBH	A mid-sized Pin Oak.	No immediate action is required.
173	401 East Front Street	Red Maple	<i>Acer rubrum</i>	9.5" DBH	A reasonably small-sized Red Maple.	No immediate action is required.
174	403 East Front Street	Kwanzan Cherry	<i>Prunus serrulata</i> 'Kwanzan'	12.5" DBH	A mid-sized Kwanzan Cherry	No significant issue(s) at this time.
175	405 East Front Street	Kwanzan Cherry	<i>Prunus serrulata</i> 'Kwanzan'	9.5" DBH	A small to mid-sized Kwanzan Cherry.	No significant tree-health issues at this time.
176	413 East Front Street	Crabapple	<i>Malus</i> sp.	9.0" DBH	A small to mid-sized Crabapple.	No immediate action is required.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

177	415 East Front Street	White Oak	<i>Quercus alba</i>	39.5" DBH	A very large and mature White Oak.	
178	415 East Front Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	5.0" DBH	A relatively small-sized Kwanzan Cherry.	No immediate tree-health issue(s) require attention.
179	115 North Jackson Street	Redbud	<i>Cercis canadensis</i>	4.0" DBH	A relatively small-sized Redbud.	No immediate tree-health issue(s) require attention.
180	155 North Jackson Street	Red Maple	<i>Acer rubrum</i>	4.5" DBH	A reasonably small-sized Red Maple.	
181	201 North Jackson Street	Ornamental Pear---most likely the cultivar 'Bradford'.	<i>Pyrus calleryana 'Bradford'</i>	4.5" DBH	A small-sized Ornamental Pear.	The health of this Ornamental Pear should be monitored throughout the upcoming year.
182	201 North Jackson Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	3.0" DBH	A small-sized Kwanzan Cherry.	The health of this Kwanzan Cherry will need to be monitored throughout the upcoming year(s).
183	201 North Jackson Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	3.5" DBH,	A small-sized Kwanzan Cherry.	The health of this Kwanzan Cherry will need to be monitored throughout the upcoming year(s).
184	201 North Jackson Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	2.0" DBH	A small-sized Kwanzan Cherry.	No immediate action is required.
185	219 North Jackson Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	1.5" DBH	A small-sized Kwanzan Cherry.	No immediate action is required.
186	This Crabapple is located at the corner of North Jackson Street and East 3rd Street. There is no obvious street address for this location (in front of the First Baptist Church).	Crabapple	<i>Malus sp.</i>	8.5" DBH	A mid-sized Crabapple.	
187	This Crabapple is additionally located at the corner of North Jackson Street and East 3rd Street. There is no obvious street address for this location (in front of the First Baptist Church).	Crabapple	<i>Malus sp.</i>	8.0" DBH	A mid-sized Crabapple.	No immediate action is required.
188	Located on North Jackson Street adjacent to Borough Hall.	Red Maple	<i>Acer rubrum</i>	19.5" DBH	This is a mid-sized Red Maple.	No immediate action is required.
189	Located on North Jackson Street adjacent to Borough Hall.	Amur Cork Tree	<i>Phellodendron amurense</i>	15.5 DBH	A mid to large-sized Amur Cork Tree.	No immediate action is required.
190	Located on North Jackson Street adjacent to Borough Hall.	Red Maple	<i>Acer rubrum</i>	19.5" DBH	A mid-sized Red Maple.	It is recommended that the health of this tree be monitored throughout the upcoming year(s).

267	621 North Monroe Street	Pin Oak	<i>Quercus palustris</i>	32.5" DBH	A large and mature Pin Oak.	Corrective pruning is needed
268	623 North Monroe Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	11.5" DBH	A small-sized Yoshino Cherry.	No immediate action is required.
269	629 North Monroe Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	4.0" DBH	A small-sized Yoshino Cherry.	No immediate action is required.
270	12 North Monroe Street	Black Gum	<i>Nyssa sylvatica</i>	5.5" DBH	A small to mid-sized Black Gum	No immediate action is required.
271	44 North Monroe Street	Kwanzan Cherry	<i>Prunus serrulata 'Kwanzan'</i>	7.0" DBH	A small to mid-sized Kwanzan Cherry.	No immediate action is required.
272	There is no street address at this location on North Monroe Street. This Sweetgum is across from 105 North Monroe Street. It is additionally located between East Front Street and East Emerald Street.	Sweetgum	<i>Liquidambar styraciflua</i>	15.0" DBH	A mid-sized Sweetgum.	No immediate action is required.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
273	There is no street address at this location on North Monroe Street. This Red Oak is located at the intersection of North Monroe Street and East Emerald Street.	Red Oak	<i>Quercus rubra</i>	14.5" DBH	A mid-sized Red Oak.	No immediate action is required.
274	There is no street address at this location on North Monroe Street. This Yoshino Cherry is located on North Monroe Street---between East Emerald Street and East 2nd Street.	Yoshino Cherry	<i>Prunus x yedoensis</i>	22.5" DBH	A large and mature Yoshino Cherry.	No immediate action is required.
275	200 North Monroe Street	Sweetgum	<i>Liquidambar styraciflua</i>	19.5" DBH	A large-sized Sweetgum	No immediate action is required.
276	202 A North Monroe Street	This Oak appears to be a hybrid between <i>Quercus rubra</i> ---and <i>Quercus palustris</i> . It has morphological characteristics inherent to both the Red and Pin Oak species.	<i>Quercus</i> sp.	24.5" DBH	A large-sized Oak.	Corrective pruning is requested---ASAP.
277	202 North Monroe Street	Pin Oak	<i>Quercus palustris</i>	26.5" DBH	This is a large and mature Pin Oak.	Corrective pruning is requested---ASAP.
278	230 North Monroe Street	Red Maple	<i>Acer rubrum</i>	4.0" DBH	A small-sized Red Maple.	No immediate action is required.
279	230 North Monroe Street	Kwanzan Cherry	<i>Prunus serrulata</i> 'Kwanzan'.	13.0" DBH	A relatively large-sized Kwanzan Cherry.	No immediate action is required.
280	230 North Monroe Street	Red Maple	<i>Acer rubrum</i>	8.0" DBH	A small to mid-sized Red Maple.	No immediate action is required.
281	404 North Monroe Street	Sweetgum	<i>Liquidambar styraciflua</i>	24.0" DBH	A reasonably large-sized Sweetgum.	Although this pruning should be conducted in the relatively near future---it is not an emergency need.
282	500 North Monroe Street	London Plane	<i>Platanus x acerifolia</i>	10.5" DBH	A small to mid-sized London Plane.	No immediate action is required.
283	500 North Monroe Street	Red Maple	<i>Acer rubrum</i>	4.0" DBH	A relatively small-sized Red Maple.	Although no immediate action is required at this time---it is important to evaluate how effectively the leaves of this Red Maple emerge in the spring.
284	604 North Monroe Street	Pin Oak	<i>Quercus palustris</i>	18.5" DBH	A mid-sized Pin Oak	
285	616 North Monroe Street	N/A	N/A	N/A	N/A	
286	630 North Monroe Street	Bradford Pear	<i>Pyrus calleryana</i> 'Bradford'	11.5" DBH	A mid-sized Bradford Pear.	No immediate action is required.
287	644 North Monroe Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	5.0" DBH	A small-sized Yoshino Cherry.	No immediate action is required.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
288	802 North Monroe Street	Red Maple	<i>Acer rubrum</i>	3.0" DBH	A small-sized Red Maple.	No immediate action is required.
289	804 North Monroe Street	Red Maple	<i>Acer rubrum</i>	3.0" DBH	A small-sized Red Maple.	No immediate action is required.
290	115 North Edgemont Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	13.5" DBH	A reasonably large-sized Yoshino Cherry.	No immediate action is required.
291	117 North Edgemont Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	13.0" DBH	A relatively large-sized Yoshino Cherry.	No immediate action is required.
292	117 North Edgemont Street	Silver Maple	<i>Acer saccharinum</i>	7.5" DBH	A relatively small-sized Silver Maple.	No immediate action is required.
293	119 North Edgemont Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	7.0" DBH	A relatively small-sized Yoshino Cherry.	No immediate action is required.
294	201 North Edgemont Street	Red Maple	<i>Acer rubrum</i>	3.0" DBH	A small-sized Red Maple.	No immediate action is required.
295	205 North Edgemont Street	Silver Maple	<i>Acer saccharinum</i>	7.5" DBH	A relatively small-sized Silver Maple.	No immediate action is required---regarding the health of this Silver Maple.
296	207 North Edgemont Street	Purple-Leaf Myrobalan Plum---probably the cultivar 'Newport'	<i>Prunus cerasifera</i> 'Newport'	1.5" DBH	A small-sized Myrobalan Purple-Leaf Plum.	No immediate action is required. Planted in 2018.
297	207 North Edgemont Street	Ginkgo	<i>Ginkgo biloba</i>	7.5" DBH	A relatively small-sized Ginkgo.	No immediate action is required.
298	209 North Edgemont Street	Redbud	<i>Cercis canadensis</i>	4.5" DBH	A small to mid-sized Redbud.	No immediate action is required. Planted in 2015.
299	217 North Edgemont Street	Pin Oak	<i>Quercus palustris</i>	2.0" DBH	A small-sized Pin Oak.	No immediate action is required.
300	219 North Edgemont Street	Thornless Honeylocust	<i>Gleditsia triacanthos</i> var. <i>inermis</i>	15.5" DBH	A mid to large-sized Thornless Honeylocust.	No immediate action is required.
301	Corner of North Edgemont Street and East 3rd Street	Green Ash	<i>Fraxinus pennsylvanica</i>	9.5 " DBH	A small to mid-sized Green Ash.	
302	319 North Edgemont Street	Norway Maple	<i>Acer platanoides</i>	8.0" DBH	A small to mid-sized Norway Maple.	
303	319 North Edgemont Street	Pin Oak	<i>Quercus palustris</i>	27.5" DBH	A large-sized Pin Oak.	
304	319 North Edgemont Street	Sugar Maple	<i>Acer saccharum</i>	14.0" DBH	A mid-sized Sugar Maple.	No immediate action is required.
305	323 North Edgemont Street	Japanese Tree Lilac	<i>Syringa reticulata</i>	3.5" DBH	A small to mid-sized Japanese Tree Lilac.	No immediate action is required.
306	325 North Edgemont Street	Redbud	<i>Cercis canadensis</i>	2.5" DBH	A small-sized Redbud.	No immediate action is required.
307	325 North Edgemont Street	Red Maple	<i>Acer rubrum</i>	7.5" DBH	A relatively small-sized Red Maple.	No immediate action is required.
308	407 North Edgemont Street	Japanese Zelkova	<i>Zelkova serrata</i>	11.5" DBH	A mid-sized Japanese Zelkova.	No immediate action is required at this time---with regard to the overall health of this Japanese Zelkova.
309	407 North Edgemont Street	Crabapple	<i>Malus</i> sp.	11.0 DBH	A relatively large-sized Crabapple.	No immediate action is required.

Media Borough Tree Survey Quadrant 1: Northeast Media (North Jackson Street and East)

Tree Number	Street Address	Common Name	Scientific Name	Caliper @12" or Diameter @ Breast Height (4.5")	Overall Size	Final Recommendations
310	Corner of North Edgemont Street and East 6th Street.	Japanese Zelkova	<i>Zelkova serrata</i>	9.5" DBH	A mid-sized Japanese Zelkova.	No immediate action is required.
311	114 North Edgemont Street	Pin Oak	<i>Quercus palustris</i>	42.5" DBH	A very large and mature Pin Oak.	
312	114 North Edgemont Street	Sugar Maple	<i>Acer saccharum</i>	13.0" DBH	A mid-sized Sugar Maple.	A number of the branches of this Sugar Maple (roadside) are somewhat "scared"---due to a large truck having been formerly parked in this location. The majority of the bark on these above-mentioned branches has healed. No immediate action is required.
313	206 North Edgemont Street	Redbud	<i>Cercis canadensis</i>	7.0" DBH	A mid-sized Redbud.	No immediate action is required.
314	216 North Edgemont Street	Littleleaf Linden	<i>Tilia cordata</i>	18.5" DBH	A mid to large-sized Littleleaf Linden.	Numerous "suckers" are present within the canopy of this Littleleaf Linden---as a result of prior utility-related pruning. No immediate action is required.
315	220 North Edgemont Street	Yoshino Cherry	<i>Prunus x yedoensis</i>	19.5" DBH	A large-sized Yoshino Cherry.	No immediate action is required.
316	This Japanese Tree Lilac is located closest to the corner of East 3rd Street and North Edgemont Street.	Japanese Tree Lilac	<i>Syringa reticulata</i>	7.0" DBH	A mid-sized Japanese Tree Lilac.	No immediate action is required.
317	316 East Front Street	Red Oak	<i>Quercus rubra</i>	18.0" DBH	A mid to large-sized Red Oak.	
318	320 East Front Street	Red Oak	<i>Quercus rubra</i>	20.5" DBH	A mid-to large-sized Red Oak.	
319	This Red Maple is located near the corner of East 5th Street and North Edgemont Street	Red Maple	<i>Acer rubrum</i>	9.5" DBH	A small to mid-sized Red Maple.	No immediate action is required.
320	520 North Edgemont Street	Sugar Maple	<i>Acer saccharum</i>	8.0" DBH	A small to mid-sized Sugar Maple.	No immediate action is required.
321	This Dawn Redwood is located at the corner of East 2nd Street and Haldeman Avenue.	Dawn Redwood	<i>Metasequoia glyptostroboides</i>	22.5" DBH	A mid-to large-sized Dawn Redwood.	No immediate action is required.
