**Here's LINK to four questions on Survey Monkey.** We are asking for your opinions on the availability of recreation programs and services to our residents. The questionnaire should take only about 10 minutes to complete. Would you please answer these questions before our meeting on Monday August 17? That will help us to have a lively discussion. Thanks!

Here is a link to the National Recreation and Park Association's Inclusion Report. This is a very informative piece about recreation opportunities for all. It will help you frame your thinking as we move toward developing a vision and recommendations for open space, parks and recreation.
